

Winter Softball Clinics

at The First Tee of Corning's Winter Golf Academy

In partnership with Southport Lady Sting and Elmira Heights Hurricane Cinderella Softball Leagues

All clinics open to any girl age 6 years old & up interested in learning a new skill or just get better at the game. Clinics to be led by local coaches with high school and college players.

Since there is a fee for each session, we ask you email info@thefirstteecorning.org or call 607-962-4441 to reserve a spot for your child to ensure we have enough coaches available.
