The legacy of **Lucille Ball** has been proudly honored in Lucy's hometown of Jamestown by the Lucille Ball Desi Arnaz Museum since 1996. For decades, Lucille Ball and Desi Arnaz played a vital role in television and on the big screen. We are fortunate to have the privilege of preserving their memory and telling the story of the impact they have had on the world through costumes and memorabilia, awards, photographs of both their personal and TV lives, and much more. We're constantly swapping out exhibits for new ones, so even if you've visited our museum before, it's always a new experience like the first time you visited!

*With infinite gratitude, we salute Lucille Ball and Desi Arnaz with our mission: Their Lives. Their Loves. Their Legacy of Laughter. The healing power of love and laughter has and always will be the driving force that makes Lucille Ball and Desi Arnaz TV favorites for people of all ages.*

## NATIONAL COMEDY CENTER

As you step inside of the National Comedy Center, you are immediately overwhelmed. You look up, and there is comedy in every form imaginable. The National Comedy Center, which is in Jamestown, NY is said by many to be the "Cooperstown of comedy." But honestly, this is bigger than Cooperstown. If you wander this Earth, you are sure to find someone who does not like baseball. But wander this earth and find someone that has gone their entire life without at the very least cracking a smile, if not laughing? It's impossible. The National Comedy Center is for everyone.
