

TOWN OF SOUTHPORT

2021 TRASH DISPOSAL PROGRAM

The Town of Southport, in partnership with Chemung County and Casella Waste is proud to offer to Town residents a Household Trash Disposal Program. This program will be limited to the first 200 applicants who apply for permits.

This is in response to the overwhelming number of requests from our residents for the return of a trash disposal program, but in a more convenient, efficient, and less costly manner.

THIS IS HOW IT WORKS

Dates of Disposal:

Tuesday, July 6th through Saturday, July 31st, 2021

If you are a Town Resident and have trash lying around your property or in your basement or shed, the Town will issue to your household a Voucher that can be used to haul one load with up to 1,000 pounds of trash, free of charge, to the Chemung County Milling Station at 1690 Lake Road in Elmira.

Beginning Monday, June 14th, 2021 the Town Clerk's Office will issue Vouchers for the program. To get a Voucher a resident must go to the Town Hall, 1139 Pennsylvania Ave., and provide proof of residency. The only proof of residency that will be accepted will be a valid NYS Driver's License or a Current Utility Bill in the resident's name. If you are a property owner in the Town of Southport, proof of ownership in the form of a tax bill must be shown with the above mentioned identification. The Town will then issue an official Voucher to that person. One Voucher will be issued per household. These vouchers will be issued 50 per each week of July.

Hours for Collection: 8 a.m. to 2 p.m. - Tuesday, Wednesday, Thursday
8 am to 11 am - Saturday

This voucher cannot be replaced if lost.

Dumping fees for any weight over the 1000 pound-limit are the responsibility of the resident. One voucher per household and vouchers cannot be combined.

Included with this announcement is an informational sheet further explaining the program, and what kind of items that will and will not be accepted.

TOWN OF SOUTHPORT 2021 TRASH DISPOSAL PROGRAM
