MOTION CARRIED.

Public Hearing- Site Plan Amendment of First Heritage Federal Credit Union located at 1707 Cedar St., Elmira, New York, tax map #109.08-7-66, zoned Commercial Regional.

Chairperson Peterson opened the public hearing at 7:04 p.m. Perry Specchio, representative for First Heritage provided an overview of the site plan amendment for First Heritage Federal Credit Union. Mr. Specchio stated that they are seeking an adjustment to their site plan for removal of the fencing requirement for their branch located at 1707 Cedar St. in the Town of Southport. The existing fence was damaged in a windstorm and the credit union does not wish to replace it. The fence requirement was part of the initial approval when

the property was purchased from Solutions Federal Credit Union and possibly dates back to the 1990's.

Mr. Specchio explained that some of the surrounding neighbors have installed stockade fencing for personal reasons. That would leave a rental property on Cedar St. as the only parcel without a border fence. Mr. Specchio explained that he has spoken to all the neighbors that boarder this property and they are all in agreement of not having the fence replaced. Mr. Specchio stated that there is a small fence currently in place to provide privacy for customers using the drive through.

There were no further comments from the Board. Vice Chairperson Warner closed the public hearing at 7:06 p.m. and turned the meeting back over to the board.

Board Member French asked Peter Rocchi, Code Enforcement, if written consent is needed from the neighboring properties. Peter Rocchi confirmed that written consent is not needed.

Vice Chairperson Warner made a motion to approve the Site Plan Amendment of First Heritage Federal Credit Union located at 1707 Cedar St., Elmira, New York, tax map #109.08-7-66. Board Member French seconded the motion. All were in favor.
