Next was review of the Special Use Permit of Donna Monroe to operate a nutrition counseling practice located at 1491 Caton Avenue, Elmira, New York tax map 109.07-4-40 zoned Residential 3.

Ms. Monroe explained her business would be operated out of the front half of the accessory building next to her house. The improvements would consist of adding heat, install additional lighting, and install a partition wall. The parking spaces would be defined in the gravel driveway. The business is operated by appointment only. A sign would be installed by the driveway. She would use the existing outside lighting.

Peter Rocchi, Code Enforcement Officer explained that "Lock Stock and Arrow" used to operate from this location. It is considered as a cottage industry per town code.

§ 525-108 Cottage industries.

- B. General requirements. A cottage industry use may be permitted when an approved site plan documents compliance with the following minimum requirements:
  - (2) No more than 1,500 square feet of an accessory structure is used for or dedicated to the use.

There were no further comments from the Board. Chairman Steed set a public hearing for Monday, June 4, 2018 at 7:00 p.m. or as soon thereafter as it can be heard.

Next was review of the Site Plan of Bohler Engineering on behalf of McDonald's USA, LLC for renovations to the interior and exterior of the existing restaurant located at 1600 Cedar Street, Elmira, New York tax map #109.12-1-11 zoned Commercial Regional.

Steve Wilson with Bohler Engineering presented the application to the Board. He explained the improvements to the site would consist of changes to the exterior of the building giving it a modern look. The building height would remain the same. The signs on the building would be updated. There will be interior improvements to the bathroom, dining and counter area. The kitchen area remains the same. The site improvements include making the circulation of traffic better and safer. The drive-through would have a bypass escape lane. There will be a new cooler attached to the back of the building. They will be adding 1,100 square feet of green space.

The Board discussed the stacking of cars in the drive-through and the drive-up window overhang. The west side of the parking lot would be cleaned up and consist of pervious green space. The storage container by the dumpster should be removed from the site. A variance would be required if they could not meet the distances required for the drive-through.

The Board required the following information for the next meeting:

1. Drive-through stacking is compliant with code
2. Storage container incorporate or remove from site
3. Landscaping to include trees

There were no further comments from the Board. Chairman Steed set a public hearing for Monday, June 4, 2018 at 7:00 p.m. or as soon thereafter as it can be heard.

Next was the referral from the Town Board to review six-month extension to the temporary 12-month Moratorium on solar and wind energy development. The Board discussed the Town Board making a plan for solar development.

Board Member Collins made a recommendation that the Town Board implement the six-month extension to the temporary 12-month Moratorium on solar and wind energy development with the provision that they present to the Planning Board in June a plan of action with steps and a time table to establish the necessary ordinances for solar and wind development in the Town. Board Member Peterson seconded the recommendation.

**AYES: Berman, Collins, French, Hastings, Parsons, Peterson, Steed**  
**NOES: None**  
**ABSENT: None**

Peter Rocchi explained that the amendment lessens the restriction on the agricultural uses and clarifies the stable use. The amendments have had input from Robert Somers, New York Ag & Market and Mark Watts, Chemung County Soil and Water. The Board discussed being included in the recommended zoning changes before it goes to the Town Board.

Charles Collins of Kinner Hill, Pine City, NY did not agree with the proposed amendments. He would agree with Robert Somers input.

Chairman Steed made a motion to table the referral until they receive more local input from the Farm Bureau. Board Member Peterson seconded the motion.
